FRANCESCA MCCONNELL

Front-End Software Engineer

Denver, Colorado @ fmcconnell59@gmail.com in francesca-mcconnell mcfrann (719)229-1704

TECHNICAL SKILLS

JavaScript, HTML5, CSS3, React, TypeScript, Agile Methodologies, npm, GitHub, Git, Test Driven Development, Cypress, Mocha, Chai, Figma, Postman, REST, Object Oriented Programing, Web Accessibility (WAI-ARIA), Adobe Creative Cloud

PROJECTS

Daily Wow - Repo | Deployed Site | *Solo Project at Turing School of Software & Design*

REACT | ROUTER | CYPRESS | JAVASCRIPT | CSS | REST API

- Produced a React-based Owen Wilson application in a five-day sprint
- Integrated thoughtful UX/UI design
- Implemented a RESTful API to fetch and display instances of Wilson saying "wow"
- Used Adobe Photoshop to create interactive Wilson animation

Roll for Initiative - Repo | Deployed Site | *Group Project at Turing School of Software & Design*

TYPESCRIPT | REACT | ROUTER | HTML | CSS | REST API | CYPRESS

- Self-taught TypeScript to build an interactive game in a ten-day sprint
- Organized project management with GitHub Projects to break application down
- Utilized a RESTful API to fetch and display Dungeons and Dragons monsters
- Wrote end-to-end testing with Cypress to administer test-driven development
- Designed with mobile-users in mind

Franki M. - Deployed Site | *Personal Portfolio*

REACT | ROUTER | JAVASCRIPT | CSS

- Designed and built portfolio foundation in one weekend
- Prioritized desktop/mobile-ready UX/UI design with CSS
- Showcased eye and passion for design
